A WONDER SPA IN THE ALPS - *One Reel*

"A Wonder Spa in the Alps" is the first release of the new series of Paramount-Burlingham Adventure Pictures, produced by Frederick Burlingham, the noted traveler and author.

In this picture one of the most famous Alpine waterin places is shown during the height of the season. People are shown in the swimming pool, enjoying the health baths. Some of them are reading newspapers while in the pool, others are playing games. One group gets a lot of enjoyment out of playing checkers on a floating checkerboard. Other scenes around the spa are also shown.
